Anyway, development ended up being put on a brief hold while we dealt with loads of coursework and the college lifestyle in general.. Exodus Activation CodeDownload ->->-> <http://bit.ly/31Ff7TV>Mirror ->->-> <http://bit.ly/31Ff7TV>.. We are both extremely excited for the 20th as that day will mark the beginning of our joint venture into publishing on Steam and bringing Exodus to life.. The environment is currently procedural and infinite, but somewhat bland and very hard to expand on with the features we want to add, so we are researching new methods for replicating the moon in Unity.. Update on Exodus - Development Resumes This Week!:Hello Everybody!It's been a long time since Dave and I have posted an update regarding the development of Exodus, we both went on a bit of a hiatus when we went off to separate colleges (and timezones).. Exodus Launches Later TODAY!:Hello Everybody!Dave and I have both been waiting for this day for a long time, and we hope you are as excited as we are to launch Exodus! Our earliest possible launch time is around 3:00PM EST so we are aiming to launch at that time, if not sooner.. We really appreciate your feedback to bring you the best possible experience Thank you, and we look forward to producing Exodus alongside you!.. We have A LOT planned for updates and we will be sticking to strict deadlines and schedules for development, which I will release more info on soon.
